IX Web Hosting is an award-winning discount web hosting company that has developed into an industry leader in providing individuals and small to medium size business with all the tools required to easily establish their desired online presence. They estimate 5,000 new clients switch to IX Web Hosting every month. Users of both Linux and Windows can find hosting packages that suit their needs.

All IX Hosting plans include website statistics and raw log files, free search engine submission services, professional web design software, an online file manager and WebShell, WorldWide WebMail access, and eCommerce Shopping Carts.
