

## Why you should read our web hosting reviews before you buy one?

We are a group of professional and independent web hosting reviewers.

**Professional:** Each one of us has at least 5 years experience of web hosting business. Someone even has had their own web hosting company. Since that, we do know what is the most important factor of the web hosting.

**Independent:** We promise all the web hosting award winners are selected basing on our independent reviews or cusumers' ratings. We will never sell award to the web hosting providers.
