Omnis Network, LLC is an Internet Hosting and Domain Name Registrar dedicated to achieving customer success. We have grown to become a leader in the Internet hosting industry by consistently delivering affordable, value added solutions. Being a Registrar facilitates the ease for an Omnis Network, LLC customer to both host a website and register a domain name, all from the same company.

Omnis Network, LLC was formed in 1999 with a team of very successful and proven industry veterans, intent on delivering the best value in Internet hosting. Serving tens of thousands of customers worldwide, our dedicated team has gained invaluable knowledge and insight in keeping our customers satisfied while keeping our costs and expenses to a minimum. We have developed the expertise needed to help you easily and quickly create, register and maintain a web site that is customized to your individual needs.

Omnis Network, LLC will remain committed to delivering the best value in Internet hosting by providing a safe, reliable and efficient process to create an Internet presence. All with a price structure driven by value.
